

National Centre for Disease Control has prepared Draft strategic National Action Plan for Containment of Antimicrobial Resistance (AMR) in consultation with various stakeholders. The National Action Plan-AMR is towards curbing the emergence and spread of AMR in the country. The document is placed at the website of NCDC for information of all stakeholders and any suggestions/comments/objection which may be received from any person with respect to the said draft National Action plan on AMR document before expiry of two weeks from the date of uploading it on the website of NCDC will be considered by National Centre for Disease Control. Suggestions/ comments/ objections, if any, may be submitted in the feedback form either to the Director, National Centre for Disease Control, 22 Shamnath Marg, New Delhi-110054 or through email id: amrsurveillance@gmail.com by 1st April 2017. The Draft National Action Plan is available at <http://ncdc.gov.in/writereaddata/mainlinkFile/draftNAP210217.pdf>
